

SPEED-SYSTEM

UNIVERSAL

Suitable for any angle grinders and drills.

RAPID

You can change the disc easily in a very short time.

ECONOMICAL

Any kind of abrasive disc can fit a unique pad.

ECOLOGICAL

The vulcanized fibre is made of non-polluting re-cycled material.

BETTER FINISHING

It allows working at a high cut rate on all the abrasive surface.

MULTI-PURPOSE

It can fit any kind of surface.

The velcro clasp system does not require any fixing ring, you can replace the disc in few seconds by simply applying a light pressure on the pad. The short replacing time and the lower cost of the cloth pad let the user save time and money. The depressed centre of the pad permits to work on a level surface, thus giving the disc higher stability for a better results. .

SPEEDISC

Nylon and polyurethan depressed pad, hole 22 mm.

APPLICATIONS:

Backing pad suitable for any grinding machines.

ITEM	SIZE mm.	PACKAGING
SPEEDISC	115	12

SPEEDISC A

All-purpose aluminium depressed pad, thread M14.

APPLICATIONS:

Backing pad suitable for any grinding machines.

ITEM	SIZE mm.	PACKAGING
SPEEDISC A	115	12

S-VEL

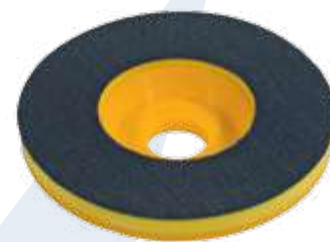

Spare self-adhesive velcro disc for SPEEDISC A.

ITEM	SIZE mm.	PACKAGING
S-VEL	115	20

S-SOFT

Neoprene velcro soft pad for SPEEDISC A.

ITEM	SIZE mm.	PACKAGING
S-SOFT	115	12

SPEED-SYSTEM

S-DTZ

Zirconium cloth velcro disc.

ITEM	SIZE mm.	GRIT	PACKAGING
S-DTZ	115	36	100
S-DTZ	115	40	100
S-DTZ	115	60	100
S-DTZ	115	80	100
S-DTZ	115	100-120	100

S-DTA

Aluminium oxide cloth velcro disc.

ITEM	SIZE mm.	GRIT	PACKAGING
S-DTA	115	36	100
S-DTA	115	40	100
S-DTA	115	60	100
S-DTA	115	80	100
S-DTA	115	100-120	100

BLISTER

ITEM	SIZE mm.	GRIT	PACKAGING
